

COVID-19 Special Scouts@Info Edition 8

Thank you for your patience and work on the COVID-19 Safety plans. As you would've seen, the WA State Government Stage 3 restrictions were announced on Friday.

Though we're awaiting the formal legislation in regards to paperwork requirements of Stage 3, we are pleased to announce face to face scouting is allowed to fully recommence from 6th June 2020. Any changes from the media release that come with the formal directive will be told to members as soon as possible.

It's important that 2 square metres per person, maximum of 100 people inside and 1.5m physical distancing and ongoing increased hygiene measures are adhered to, and that people who are immunocompromised, at risk or unwell with any cough, fever or flu like symptoms do not attend.

Please see the following links for [COVID-19 Safety Plans](#) and [COVID-19 Safety Guidelines](#) required to be completed for activities undertaken from 6 June 2020.

As per special Scouts@Info 27 May 2020, the Scouts WA Facilities Officer will be in contact with Group Leaders who's Local Government Authority require a COVID-19 Safety plan to be submitted by Scouts WA.

Please continue to direct questions to your DC & RCC and if required, send questions to virtual.scouting@scoutswa.com.au

Thank you again for your patience and enthusiasm to return to safe scouting.

Caitlin Arcus
Acting Chief Commissioner
Scouts WA
