

Further Asked Questions

Cubilee 2026 – Regional Participants

Coming from regional WA? We're making it easier to join us!

We know attending a metropolitan event can mean much more than simply registering for the day when you're travelling from regional WA.

For Cubilee 2026, we've organised a subsidised regional weekend/overnight option, including Cubilee registration, two nights' accommodation, meals and transport to and from Cubilee if required.

When and where is the Cubilee overnight weekend?

Friday, 6 November – Sunday, 8 November 2026

Arrive: from 5.00pm Friday

Depart: by 9.00am Sunday

Bibra Lake Scout Hall

172 Hope Road

Bibra Lake WA 6163

Cubilee itself is held on:

Saturday, 7 November 2026

10.00am–3.00pm

Legacy Park, Cockburn Central

Who can take up the overnight weekend offer?

The weekend has been organised primarily for **regional Cub Scout Units travelling to Cubilee 2026**.

Venturer Scouts, Rover Scouts and Adult Leaders from other sections who are travelling to Perth to **support Cubilee activity bases** can also take up the regional accommodation offer.

Metropolitan Units with significant travel requirements may also be able to participate, subject to availability. If accommodation reaches capacity, priority will be given to regional participants.

How much does it cost?

The regional weekend has been **subsidised to help make Cubilee accessible to participants travelling from regional WA**.

There is one regional registration covering both Cubilee and the regional weekend:

Cub Scouts – \$50 per person

Adults – \$25 per person

There is no need to register separately for Cubilee.

What does my registration include?

Regional registration includes:

- Entry to **Cubilee 2026 – Abra-Cub-Dabra!**
- Accommodation at Bibra Lake Scout Hall on Friday and Saturday nights
- Tents provided
- Friday dinner and supper
- All meals on Saturday
- Sunday breakfast
- A packed lunch for the journey home
- Transport between Bibra Lake Scout Hall and Cubilee at Legacy Park, if required
- Shade shelters at Cubilee for Units travelling by train or bus, if required

Cub Scouts will also receive the standard Cubilee participant inclusions, including their **Cubilee 2026 blanket badge**.

Will we be sleeping in tents?

Yes. **Tents will be provided**, so regional participants do not need to transport tents to Perth. Overflow may be provided inside the hall.

Participants will need to bring their own sleeping gear.

What do I need to bring?

Participants will need their **sleeping gear, clothing, toiletries and personal items** for the weekend.

A more detailed packing list and final participant information will be provided closer to the event.

We're travelling by train or bus. What equipment do we need to bring?

We've tried to make the weekend as manageable as possible for Units travelling by public transport.

Tents are provided, and shade shelters can also be provided for your Unit to use at Cubilee if required.

If there is something else creating a logistical challenge for your Unit, please get in touch.

How do we get to and from Perth?

Travel to Bibra Lake Scout Hall on Friday and home again on Sunday is organised and paid for by each Unit.

If required, **transport between Bibra Lake Scout Hall and Cubilee at Legacy Park on Saturday will be provided.**

What if we're going to arrive after 5.00pm on Friday?

That's okay — **just let us know.**

We understand that regional travel doesn't always fit neatly around event times. If your Unit will be arriving later on Friday, contact the Regional Participants Lead so we know when to expect you.

Does everyone need to register?

Yes. **All youth and adults attending the regional weekend must be registered.**

When completing your registration, please use your **Scout Group name as your team name.**

What are the requirements for adults staying overnight?

All adults staying overnight must:

- Be current **Scouts WA members**
- Be registered for the overnight weekend
- Be up to date with their **compulsory training modules**

My Cub Scout's Leader isn't attending. Can they still come?

Yes, provided arrangements have been made for another Unit to take responsibility for them during the weekend.

The Cub Scout's Leader and/or family will need to **approach another attending Unit and make those arrangements directly before registering.**

The Cubilee team will not automatically allocate individual Cub Scouts to another Unit.

Who is eligible to attend Cubilee as a Cub Scout?

Any youth member who is a **registered Cub Scout at the time of Cubilee 2026** can attend.

So, if your child is currently a Joey Scout but will have moved into the Cub Scout section by Cubilee, they can attend as a Cub Scout.

Likewise, if a current Cub Scout has moved into the Scout section before the event, they would no longer be eligible to attend as a Cub Scout participant.

Please make sure their **ScoutMap membership details are up to date before registering.**

What if I have dietary requirements or food allergies?

Modified diets will be catered for.

Please make sure all dietary requirements, allergies and relevant information are **up to date in ScoutMap** so the catering team has the information required to plan appropriately.

What if my child has additional support or accessibility needs?

We want Cub Scouts to be able to participate and enjoy Cubilee.

If there is something we can do to support your child's participation, please let us know as early as possible so appropriate planning can be undertaken.

Accessibility may vary between individual activities depending on the activity and the risk management requirements in place. Where adjustments or additional support may be required, please speak with your Unit Leader and contact the Cubilee team before the event.

Can a support worker or carer attend?

Yes. **Support workers can attend to support youth members.**

Please speak with your Unit Leader or Group Leader and contact the Cubilee team early so the appropriate arrangements can be made.

If the support worker will be staying overnight as part of the regional weekend, the requirements for adults staying overnight will also apply.

Can Venturer Scouts and Rover Scouts come along to help?

Yes!

Venturer Scouts and Rover Scouts who are attending Cubilee in a **supporting role on activity bases** can also take advantage of the regional weekend accommodation.

Adult Leaders from other sections travelling to support activity bases can do the same.

How do I register?

Registration is through **ScoutMap using the Regional Participants registration**.

You only need to complete the regional registration — **your Cubilee event registration is already included**.

When registering, please use your **Scout Group name as your team name**.

[Register for Cubilee here](#)

I am having issues registering through ScoutMap. Who can help me please?

If parents are having problems logging in, they should email membership@scoutswa.com.au.

If parents are able to log in, but have problems registering once registrations open, they should contact the branch events team.

If it is during business hours, please call [08 6240 7700](tel:0862407700) and choose the 'events' option. Please leave a message if required. If outside of business hours, please email events@scoutswa.com.au with clear details of your registration issue.

When do registrations close?

Friday, 16 October 2026.

Please don't leave registration until the last minute. We need time to organise accommodation, tents, catering, transport and other arrangements based on the number of people attending.

Please ensure you have all your youth and adults registered before this date as missing out can sometimes disappoint.

What happens on Sunday?

Breakfast will be provided before departure, and everyone will receive a **packed lunch for the journey home**.

Participants will depart Bibra Lake Scout Hall **by 9.00am Sunday**.

What if our travel plans don't quite fit these arrangements?

Talk to us.

The regional weekend exists to make it easier for Cub Scouts and supporting members from across WA to be part of Cubilee.

If distance, public transport, equipment or your particular travel arrangements are making attendance difficult, get in touch and we'll see what can be worked out.

Make a weekend of Cubilee!

Thanks to subsidised regional pricing, **Cub Scouts can attend the entire weekend for \$50 per person** — including Cubilee entry, two nights' accommodation, meals across the weekend, tents provided and transport between Bibra Lake Scout Hall and Cubilee if required.

Pack your sleeping gear and come join Cub Scouts from across WA for Cubilee 2026

Who do I speak to if I have questions not answered here?

Alexis Mayers

Regional Participants Lead – Cubilee 2026
